2. DVD Format License

2.1 Subject to the terms and conditions and with the limitations and exceptions hereafter set forth, Licensor, as of the Effective Date, grants to Licensee and its Affiliates a non-exclusive, non-transferable license, on a worldwide basis during the term hereof, without the right to sublicense, to use the DVD Format Book(s) identified on Annex A-1 as being licensed to Licensee, including the technical information, know-how and trade secrets contained therein, solely in connection with the development, manufacture (including manufacture by a Third Party Manufacturer), sale, use or other disposition of the DVD Products included in the DVD Product Category(ies) identified on Annex A-1 as being licensed to Licensee. The license granted hereunder shall not under any circumstance authorize Licensee or its Affiliates to use the DVD Format Book(s) or the information contained therein in connection with the manufacture, sale or distribution of any Product other than the DVD Product(s) and DVD Product Category(ies) that have been designated by Licensee in Annex A-1 and for which the appropriate license fee has been paid.

2.2 Licensee shall select such DVD Format Book(s) and DVD Product Category(ies) that are licensed to Licensee and its Affiliates under this Agreement by checking the applicable box[es] on Annex A-1. During the term of this Agreement, Licensee may add any DVD Format Book(s) and DVD Product Category(ies) that Licensee has not selected previously, and may acquire a license with respect to such DVD Format Book(s) and DVD Product Category(ies), by (i) providing Licensor with a request substantially in the form of Annex E indicating Licensee’s selection of additional DVD Format Book(s) and/or DVD Product Category(ies), and (ii) paying an additional license fee in accordance with Article 5.1. The terms and conditions of this Agreement shall apply to each additional DVD Format Book and/or DVD Product Category as of the Effective Date for that DVD Format Book or DVD Product Category.

2.3 Subject to Licensor's approval, Licensee may add any Affiliate(s) of Licensee to Annex C of this Agreement, and the terms and conditions of this Agreement shall apply to such Affiliate(s) as of the date Licensor receives the amended Annex C. Licensee shall, at the request of Licensor, provide evidence satisfactory to Licensor that any entity identified in Annex C to this Agreement qualifies as an "Affiliate" under Article 1.1. If, during the term of this Agreement, an entity identified in Annex C no longer satisfies the conditions described in Article 1.1, then (i) Licensee shall notify Licensor that such entity no longer qualifies as an Affiliate, and (ii) this Agreement shall no longer apply to such entity as of the date on which the entity no longer qualified as an Affiliate.

Licensee acknowledges that the NDA prohibits disclosure of information contained within the DVD Format Books to any third party, including any Third Party Manufacturer. Licensee agrees and acknowledges that, if it becomes necessary for a Third Party Manufacturer to have access to the information contained within the DVD Format Books, then the Third Party Manufacturer must itself become a licensee of the DVD Format Books and Logos. For the purpose of furthering Licensor's efforts regarding the enforcement or protection of Licensor's rights and interests in the DVD Format Books and/or the Logos, Licensee shall be responsible for confirming that the Third Party Manufacturer is such a licensee prior to engaging the Third Party Manufacturer to perform any task that requires information contained in the DVD Format Books. 2.6 In the event that Licensee manufactures an OEM Product, Licensee shall (i) be responsible for compliance with the terms and conditions of this Agreement (including, but not limited to, Verification of the OEM Product), and (ii) take reasonable steps to ensure that the OEM Product is not altered after manufacture in any manner that will affect any characteristic of the OEM Product that is addressed in the DVD Format Books. Only the Licensee or its Affiliate may apply a Logo (if licensed to Licensee hereunder) to a DVD Product.

2.7 Reserved for future addition of SID Code related provisions.

2.8 Licensee agrees that all Products manufactured or sold by Licensee shall comply with the specifications set forth in the applicable DVD Format Books, and with the updates or revisions to such DVD Format Books that Licensor may publish from time to time. 2.9 The licenses granted pursuant to Articles 2.1 and 3.1 of this Agreement do not apply to any Product that does not meet the requirements of Article 2.8.

2.10 IT IS EXPRESSLY UNDERSTOOD THAT THE RIGHTS AND LICENSES GRANTED PURSUANT TO THIS AGREEMENT DO NOT EXTEND TO ANY PRESENT OR FUTURE PATENT RIGHT WHATSOEVER.

3. DVD Logo License

3.1 Subject to the terms and conditions and with the limitations and exceptions set forth in this Agreement, Licensor, as of the Effective Date, grants to Licensee and its Affiliates a non-exclusive, non-transferable license, on a worldwide basis, without the right to sublicense, during the term hereof, to use the Logos solely (i) on DVD Products that are within DVD Product Category I or DVD Product Category II as being licensed to Licensee, (ii) on packing materials that accompany such DVD Products, (iii) in advertising and other sales and marketing literature relating to such DVD Products, including catalogues or brochures, and user manuals for such DVD Products, or (iv) in electronic images (such as websites) associated with such DVD Products.

3.2 The Logos shall be used only in the form and manner specified in the DVD Logo Manual. Licensee is strictly prohibited from using the Logos in any form other than that which is specifically set forth in the DVD Logo Manual.

3.3 Licensee shall ensure that there is imprinted legibly and irremovably on all materials and things on or with which the Logos appear in any form the legends and notices required by the DVD Logo Manual.

3.4 Licensee shall not co-join, superimpose or combine any other logo, trademark, trade name or other designation with the Logos. Licensee shall not use the Logos in a manner which impairs the right in the Logos.

3.5 Licensee shall ensure that distributors' and retailers' usage of the Logos in advertising, promotional materials, catalogues or brochures offering Licensee's DVD Products for sale shall comply with the DVD Logo Manual and Articles 3.2, 3.3, 3.4 and 4.2 of this Agreement.

3.6 Licensee may use the Logos on an OEM Product included in DVD Product Category I or DVD Product Category II, provided that (i) the only Logo appearing on the product is the Logo affixed by the Licensee or its Affiliate; (ii) the Logo complies with the requirements of the DVD Logo Manual; (iii) such DVD Product has successfully completed Verification prior to shipment by Licensee or its Affiliate; and (iv) Licensee or its Affiliate takes reasonable steps to ensure that the Logo is not altered after shipment.

3.7 Notwithstanding anything in this Agreement to the contrary, if Licensee develops, manufactures, sells, uses or otherwise disposes of DVD Products that are within DVD Product Category III, the license of the Logos granted in Article 3.1 of this Agreement shall not apply with respect to such DVD Products.

3.8 Licensee shall not register in any country any trademark, service mark, trade name, logo or other indicia of ownership (each, an "Insignia") which resembles or is confusingly similar to a Logo, or which dilutes a Logo (including, without limitation, any Insignia which incorporates a Logo) nor use any such Insignia which could reasonably be

deemed to be confusingly similar, deceptive or misleading with respect to a Logo, or which could reasonably be deemed to dilute a Logo. If Licensee uses any Insignia which, in Licensor's reasonable opinion, is confusingly similar, deceptive or misleading with respect to a Logo, or which dilutes a Logo, in connection with any product, or any service or in any territory not specifically authorized hereunder, Licensee shall, immediately upon receiving a written request from Licensor, permanently cease such use.

3.9 Except as provided in this Article 3.9, Licensor shall bear the expense of obtaining and maintaining any trademark or other intellectual property registrations applicable to the Logos. As Licensor deems necessary, Licensee at its expense will comply with the applicable laws or practices of the country(ies) in which rights relating to the Logos are registered, including, without limitation, the marking of Licensee's DVD Products with any applicable notice of registration, and the recordation of Licensee as a registered or licensed user of the Logos. At Licensor's request, Licensee shall advise Licensor of all countries in which DVD Products manufactured by Licensee, or manufactured at Licensee's behest by a Third Party Manufacturer, are sold.

4. Verification

4.1 "Verification" shall mean the procedures described in this Article 4 and in Annexes B-3, B-4 and B-5, for testing a Product's compliance with the applicable DVD Format Book(s) in accordance with the applicable Test Specifications.

4.2 Licensee (if Licensee has been granted the License to use the Logos) agrees that all Products bearing or marketed under the Logos shall conform to the applicable DVD Format Book(s) and such additional standards, specifications, instructions, or quality controls as may be communicated in writing by Licensor to Licensee from time to time, and that all uses of the Logos shall fully comply with the DVD Logo Manual. Licensee further agrees that in case the Licensee manufactures any OEM Products in DVD Product Category I or DVD Product Category II, the Licensee shall cause, and bear responsibility for causing, the OEM Product Customer to comply with the requirements that all Products bearing or marketed under the Logos shall conform to the applicable DVD Format Book(s), and that all uses of the Logos shall comply with the DVD Logo Manual.

4.3 Licensee agrees that it will not manufacture, sell, market, promote or distribute a Product within DVD Product Category I or DVD Product Category II and bearing or marketed under the Logos that is not in full compliance with the applicable DVD Format Book(s) as determined by Verification of the Product in accordance with the procedures set forth in this Article 4 and in Annexes B-3, B-4 and B-5.

4.4 If at any time during the term hereof, Licensor determines, in its sole reasonable judgment and in cooperation with a Class A Verification Laboratory listed in Annex B-1, that Licensee may be manufacturing, selling, marketing, promoting or distributing a Product that is not in full compliance with an applicable DVD Format Book, then at the request of Licensor, such Licensee shall follow the procedures set forth in Annex B-5.

4.5 If Final Failure (as defined in Annex B-3 or Annex B-5) is declared for a Product, Licensor shall have the right to terminate the rights relating to the Logos granted to Licensee under this Agreement with respect to the Product as to which Final Failure has been declared, upon thirty (30) days' prior written notice to Licensee.

4.6 The right of termination set forth in Article 4.5 above shall not be exclusive of any other remedies or means of redress to which the Licensor may be lawfully entitled, and all such remedies shall be cumulative. Upon termination of the Licensee's rights pursuant to Article 4.5, all rights of Licensee granted hereunder relating to the Logos with respect to the Product that failed to meet the verification standards shall cease and the termination procedures set forth in Article 10.3 below shall apply to such termination.

4.7 For purposes of this Agreement, samples submitted for Verification pursuant to the procedures specified in this Article 4 and in Annexes B-3, B-4 or B-5 shall be selected in a manner acceptable to Licensor.

4.8 NO NOTICE OR STATEMENT OF ANY KIND SENT BY LICENSOR, OR BY ANY LABORATORY LISTED ON ANNEX B-1, SHALL BE CONSTRUED AS A REPRESENTATION OR WARRANTY OF ANY KIND WITH RESPECT TO THE DVD PRODUCT IDENTIFIED IN SUCH NOTICE OR STATEMENT, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE OR INTERCHANGEABILITY WITH OTHER DVD PRODUCTS.

5. Fees

5.1 In consideration of the licenses granted hereunder, subject to the terms and conditions and with the limitations set forth herein, Licensee agrees to pay to Licensor the license fee set forth on Annex A-1 for each DVD Format Book licensed to Licensee in each DVD Product Category selected by Licensee as identified on Annex A-1. Licensee agrees that it is entitled to deduct JPY550,000 from the license fee, provided that the fee paid by Licensee pursuant to the NDA was not previously deducted from a license fee paid by Licensee to Licensor. This Agreement shall not become effective for any DVD Format Book(s) as to which Licensor has not received the applicable license fee from Licensee. In the event that Licensee adds DVD Format Book(s) and/or DVD Product Category(ies) in accordance with the provisions of Article 2.2, Licensee shall pay to Licensor, concurrently with such addition, the license fee set forth on Annex A-1 for each DVD Format Book and/or DVD Product Category newly selected by Licensee.

5.2 Under no circumstance will Licensee be entitled to any return or refund of a license fee.

5.3 Each time a sample Product and a test result are submitted to a verification laboratory for Verification pursuant to Article 4 and Annex B-3, B-4 or B-5 (regardless of the number of times a Product is submitted to a verification laboratory), Licensee shall pay the verification laboratory the fees as charged by the verification laboratory on a per-submission basis, promptly upon the receipt of an invoice from the verification laboratory (including all transportation fees for such submission and return of Licensee's DVD Product sample or test results); provided that such fees shall not exceed the applicable amount specified in Annex B-2.

5.4 All payments made by Licensee to Licensor or to a verification laboratory under this Agreement shall be made without any deduction for any taxes, except for any income taxes that may be owed by Licensor or such verification laboratory that are required under the law of any jurisdiction outside Japan to be withheld on any payments under this Agreement, which taxes shall be withheld by Licensee only to the extent required by law and actually paid to the appropriate taxing authority. Licensee shall, within one month following payment of any such taxes, provide proof to Licensor of payment of such taxes (including, but not limited to, official

receipts in the name of Licensor and photocopies of all forms filed by Licensee with the appropriate taxing authorities) together with certified English translations of such documentation (if not in the English language). No other taxes or other charges (including, but not limited to, bank charges) shall be deducted from the payments made to Licensor or to a verification laboratory. Licensee shall indemnify Licensor or a verification laboratory for any penalties or interest that may be payable as a result of Licensee's failure to timely pay all taxes or other assessments of Licensor that Licensee is obligated to withhold.

5.5 Except as provided in Article 5.4, taxes imposed on payments by Licensee to Licensor or verification laboratories, including but not limited to value added taxes, consumption taxes, and sales taxes, which may be imposed now or in the future under the laws of any applicable jurisdiction, shall be Licensee's sole responsibility and Licensee shall promptly transmit such taxes to the appropriate authorities as and when they become due. Such taxes shall not affect Licensee's obligation to make payments to Licensor or verification laboratories as required under this Agreement.

5.6 Licensee shall provide written notice to Licensor of any withholding to be made pursuant to Article 5.4 before payment is made in reasonable time and with sufficient information to allow Licensor to raise any objection, including any objection to the form, method, or the amount of payment, or to the withholding of any taxes.

6. Information

6.1 Licensee shall comply with Licensor's reasonable requests for cooperation in connection with Licensor's efforts regarding the enforcement or protection of Licensor's rights and interests in the DVD Format Books or the Logos.

6.3 Licensee acknowledges (i) that officials in various countries examine DVD Products to identify infringing trademarks, including the Logos, and (ii) that DVD Products, including OEM Products and DVD Products manufactured by Affiliates and Third Party Manufacturers, that do not identify Licensee may be subject to detention, seizure or other government action. Under no circumstance will Licensor be responsible for the treatment or disposition of DVD Products by governmental authorities.

7. Ownership of the DVD Format Books and Logos; Reservation of Rights

7.1 Licensee acknowledges that this Agreement does not transfer or convey to Licensee ownership of, or any rights in, any of the DVD Format Books or the Logos, except as expressly set forth herein. Use of the Logos (if Licensee has been granted the license to use the Logos) by Licensee shall inure solely to the benefit of the Logo Owner, as owner of all rights in and to the Logos. Upon termination of this Agreement, no monetary amounts shall be assigned as attributable to any goodwill associated with such Licensee's use of the DVD Format Books or the Logos.

Licensee further agrees that Licensee shall use information contained in the DVD Format Book(s) licensed hereunder, and any other information provided by Licensor to Licensee, in accordance with the terms and conditions of the NDA regarding the confidential treatment of such information, and only for the development, manufacture, sale, use and other disposition of the DVD Product(s) included in the DVD Product Category(ies) identified on Annex A-3 and selected by Licensee.

8.2 Licensor shall treat any information provided to Licensor by Licensee or its Affiliates pursuant to Articles 2.5 and 6 as confidential, and shall not disclose such information to any third party, except (a) as may be required by law (in which event, to the extent possible, Licensor shall provide Licensee with reasonable advance notice of such disclosure); (b) as part of Licensor's effort (whether by official proceeding or otherwise) to enforce or protect Licensor's intellectual property rights and other interests in the DVD Format Books and the Logos; (c) if Licensor receives the information from another source to which the Licensor does not owe an obligation of confidentiality; or (d) if the information is or becomes available in the public domain.

9. Warranty and Disclaimer

9.1 LICENSOR, THE FORMAT OWNERS AND THE LOGO OWNER MAKE NO REPRESENTATION OR WARRANTY AS TO THE VALUE OR UTILITY OF THE INFORMATION TO BE SUPPLIED TO LICENSEE OR ITS AFFILIATES PURSUANT TO THIS AGREEMENT, SUCH AS BUT NOT LIMITED TO THE DVD FORMAT BOOKS, THE DVD LOGO MANUAL, AND TECHNICAL INFORMATION AND SUPPORT, IF ANY, OR THE ABILITY OF LICENSEE OR ITS AFFILIATES TO MAKE USE THEREOF TO SECURE INTERCHANGEABILITY WITH OTHER DVD PRODUCTS. LICENSOR, FORMAT OWNERS, AND LOGO OWNER MAKE NO WARRANTY WHATSOEVER THAT THE USE OF INFORMATION SUPPLIED BY LICENSOR DOES NOT INFRINGE OR WILL NOT CAUSE INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHT OWNED OR CONTROLLED BY ANY PERSON. LICENSEE UNDERSTANDS AND AGREES THAT THE LICENSOR, FORMAT OWNERS AND LOGO OWNER MAKE NO WARRANTY WHATSOEVER THAT ANY MANUFACTURE, USE, SALE, LEASE OR OTHER DISPOSAL OF LICENSED PRODUCTS WILL BE FREE FROM INFRINGEMENT OF ANY THIRD-PARTY INTELLECTUAL PROPERTY RIGHTS. IT IS EXPLICITLY UNDERSTOOD BY LICENSEE THAT LICENSOR AND FORMAT OWNERS CLAIM TO HAVE ISSUED OR PROSPECTIVE PATENTS PERTINENT TO THE LICENSED PRODUCTS, WHICH PATENTS ARE NOT LICENSED HEREUNDER. LICENSOR, FORMAT OWNERS AND LOGO OWNER MAKE NO REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, STATUTORY OR OTHERWISE, AND EXPRESSLY DISCLAIM IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND ANY EQUIVALENTS UNDER THE LAWS OF ANY JURISDICTION THAT MIGHT ARISE FROM ANY ACTIVITIES OR INFORMATION DISCLOSURES RELATING TO THIS AGREEMENT.

9.2 Nothing in this Agreement shall be construed as imposing on Licensor an obligation to take any action to protect its intellectual property rights or other interests in the DVD Format Books and/or the Logos.

9.3 Licensee acknowledges and agrees that Licensor shall not be liable for the actions of any government official, agency or other authority with respect to the enforcement of any law or regulation applied or relating to DVD Products.

10. Term and Termination

10.1 This Agreement shall become effective as of the Effective Date and shall continue in force until December 31, 2024, unless terminated earlier. The parties hereby agree that prior to such expiration (other than upon earlier termination of this Agreement pursuant to the provisions herein), the parties shall negotiate in good faith to renew the license granted hereunder as such renewal may be subject to further terms and conditions, including payment of then determined license fees.

10.2 Either party may terminate this Agreement at any time on thirty (30) days' written notice to the other party in the event that the latter shall materially breach or fail to perform any material obligation under this Agreement and such default is not remedied within thirty (30) days after notice is given specifying the nature of the default. Such right of termination shall not be exclusive of any other remedies or means of redress to which the non-defaulting party may be lawfully entitled, and all such remedies shall be cumulative. 10.5 Licensee hereby agrees that Licensor, at its sole discretion, may deem a declaration of Final Failure pursuant to Annex B-5 with respect to a Product manufactured by or on behalf of Licensee or its Affiliate as a material breach of this Agreement.

10.6 In the event that any Event of Bankruptcy occurs, then Licensor may give notice to Licensee terminating this Agreement and this Agreement shall be terminated in accordance with the notice. An "Event of Bankruptcy" occurs if:

- (i) a decree or order by a court having jurisdiction in the premises has been entered adjudging Licensee a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, readjustment, arrangement, composition, winding up or similar relief for Licensee under any applicable statute, or a decree or order of a court having

ANNEX B-3

This Annex B-3 addresses the Verification of the Licensee's "First Production Model" as defined in the applicable Test Specification set forth in Annex A-4.

Licensees with respect to DVD Products in DVD Product Category I and DVD Product Category II(1) that use the DVD Video Format Book "DVD Specifications for Read Only Discs," Part 3, should follow **Part I**.

Manufacturers of DVD Products not covered by Part I should follow **Part II**.

This Annex B-3 does not apply to any First Production Model for which Verification was successfully completed prior to January 1, 2020.

Part I.

Prior to the initial commercial shipment of the First Production Model of a Product, Licensee shall undertake the following procedures and obtain a "Confirmation of Verification" in writing from a Class A Verification Laboratory regarding the DVD Product's compliance with the applicable DVD Format Book(s).

1. Prior to the initial commercial shipment of the First Production Model, Licensee shall test the First Production Model using the verification tool and following the instructions provided by a Class A Verification Laboratory listed on Annex B-1 and selected by Licensee. At the conclusion of the test, Licensee shall submit to the Laboratory the results of the test together with samples of the First Production Model so tested, and concurrently send a notice of that submission to Licensor. The Class A Verification Laboratory shall designate a reasonable number of samples to be submitted. Licensee may request that the Class A Verification Laboratory complete its testing and send the results of the tests to Licensee within thirty (30) working days from receipt of the Licensee's test results and the specified number of samples of the First Production Model. The Class A Verification Laboratory, if so requested, shall make reasonable efforts to comply with this request.

2. Before samples of the Licensee's Product are submitted to a Class A Verification Laboratory, Licensee and the Laboratory shall enter into a non-disclosure agreement covering confidential information submitted by the Licensee, the basic terms and conditions of which are set forth in Annex D attached hereto.

3. After the Class A Verification Laboratory receives Licensee's test results and samples of Licensee's First Production Model:

- (i) the Class A Verification Laboratory that received the Licensee's test results and samples of the First Production Model shall test the Product according to the applicable Test Specification, and shall inform Licensee and Licensor concurrently of the results (the Class A Verification Laboratory may keep a

reasonable number of samples of the Product submitted by Licensee);

- (ii) if, in the sole and reasonable judgment of the Class A Verification Laboratory, the result of the tests is that the First Production Model does not comply with the applicable DVD Format Book(s), Licensor shall have the right to request that Licensee modify the non-compliant Product so as to comply and submit sample(s) of such modified Product to the same Class A Verification Laboratory within thirty (30) days or a longer period specified by such Class A Verification Laboratory (a reasonable number of samples to be submitted shall be designated by such Class A Verification Laboratory). The Class A Verification Laboratory shall re-test the modified First Production Model according to the applicable Test Specification, and shall inform Licensee and Licensor concurrently of the results. In addition, upon the request of Licensor, Licensee shall promptly provide information necessary for Licensor to trace the cause of such non-compliance with the applicable DVD Format Book(s), including, without limitation, the names of authoring studios that created the master discs for the non-compliant Product (for Products in DVD Product Category I) and the identity of any third-party suppliers of components for the non-compliant Product (for Products in DVD Product Category II(1)); and

- (ii) if, in the sole and reasonable judgment of such Class A Verification Laboratory, the result of the tests is that the First Production Model does not comply with the applicable DVD Format Book(s), Licensor shall have the right to request that Licensee modify the non-compliant Product so as to comply, and to submit sample(s) of such modified Product to the same Class A Verification Laboratory within thirty (30) days or a longer period specified by such Verification Laboratory (the number of samples to be submitted shall be designated by such Class A Verification Laboratory). The Class A Verification Laboratory shall re-test the modified First Production Model according to the applicable Test Specification, and shall inform Licensee and Licensor concurrently of the results. In addition, upon the request of Licensor, Licensee shall promptly provide information necessary for Licensor to trace the cause of such non-compliance with the applicable DVD Format Book(s), including, as applicable and without limitation, the names of authoring studios that created the master discs for the non-compliant DVD discs and the identity of any third-party suppliers of components for the non-compliant Products; and

Licensors shall from time to time and at its sole discretion have the right to examine and inspect any Product marketed by Licensee or any of its Affiliates in order to identify and to address any issues that may appear regarding the Products' compliance with the DVD Format Book(s) applicable to such Product.

Part I.

If Licensor determines, in its sole reasonable judgment (in cooperation with Class A Verification Laboratories where considered necessary) that Licensee or any of its Affiliates is manufacturing, selling, marketing, promoting or distributing a Product that is suspected not to be in full compliance with the applicable DVD Format Book(s), then Licensee shall follow the procedures set forth in this Part I.

The Licensor shall be responsible for the fees associated with these tests. Upon completion of the tests, the Verification Laboratory shall immediately inform Licensor of the test results.

3. If, as a result of the tests, the sample(s) are found not to comply with the applicable DVD Format Book(s), Licensor shall have the right to request that Licensee submit additional samples for re-testing by a Class A Verification Laboratory selected by Licensee. The Licensee shall be responsible for the fees associated with this re-testing. If, as a result of the re-tests, the sample(s) are found not to comply with the applicable DVD Format Book(s), Licensee shall modify the Product so as to comply, and submit sample(s) of such modified Product together with the results of the self-test to the same Class A Verification Laboratory within thirty (30) days from the date of such request (or such longer period as may be specified by the Class A Verification Laboratory). The Class A Verification Laboratory shall specify a reasonable number of samples to be submitted. Upon request of Licensor, Licensee shall promptly provide information necessary for Licensor to trace the cause of such non-compliance with the applicable DVD Format Book(s).

(1) Licensor may request that Licensee further modify the Product and submit sample(s) of such modified Product to the Class A Verification Laboratory chosen by Licensee. The Class A Verification Laboratory shall follow the same procedures set forth in Paragraph 3, which shall be repeated, at the expense of

Licensee, until the results demonstrate that the Product is compliant with the applicable DVD Format Book(s), or

- (2) Licensor, in its sole discretion, shall have the right to declare and inform Licensee of a Final Failure of such Product to conform to the applicable DVD Format Book(s).

Part II.

When deemed necessary by Licensor, Licensor may inspect Products by obtaining samples of the Product on the market in a manner of Licensor's choosing. At Licensor's discretion, the procedures set forth in this Part II shall be followed.

1. At the request of Licensor, a Class A Verification Laboratory shall test the Product in accordance with the applicable Test Specification. Such tests shall be at the expense of Licensor. The Class A Verification Laboratory shall immediately inform Licensor of the test results.

2. If, as a result of the tests, the Product is found not to comply with the applicable DVD Format Book(s), Licensor may request Licensee to modify the non-compliant Product. Licensor shall specify a reasonable number of samples to be submitted. Licensee shall promptly provide information necessary for Licensor to trace the cause of such non-compliance with the applicable DVD Format Book(s).

3. After receipt of such modified Products and test results, Licensor shall request the same Class A Verification Laboratory to re-test the Products at the expense of the Licensor. The Class A Verification Laboratory shall immediately inform Licensor of the results of the re-tests.

4. If, as a result of the re-tests, the Product still fails to comply with the applicable DVD Format Book(s), Licensor shall have the right to request that Licensee modify the Product so as to comply with the applicable DVD Format Book(s), and to re-submit sample(s) of such modified Product together with the results of the self-test to a Class A Verification Laboratory selected by Licensee within thirty (30) days from the date of such request (or a longer period specified by the Class A Verification Laboratory). The Licensee shall be responsible for the fees associated with this testing. The Class A Verification Laboratory shall conduct such additional tests as may be required to determine whether the Product complies with the applicable DVD Format Book(s). The Class A Verification Laboratory shall specify a reasonable number of samples to be submitted. At the request of Licensor, Licensee shall promptly provide information necessary for Licensor to trace the cause of such non-compliance with the applicable DVD Format Book(s).

5. If (a) as a result of the additional tests, in the sole and reasonable judgment of the Class A Verification Laboratory, the Product still fails to comply with the applicable DVD Format Book(s), or (b) Licensee fails to submit sample(s) of the modified Product within the period set forth in the above, then

- (1) Licensor may request that Licensee further modify the Product and submit sample(s) of such modified Product to the Class A Verification Laboratory following the same procedures above and at the expense of Licensee until the Product is verified as compliant with the applicable DVD Format Book(s), or
